

Super Bowl Can Food & Dental Supply Drive

We are having a can food and dental supply drive until Monday, February 8. The students get to vote for what team they want to win the Super Bowl. In the lobby there will be boxes set up under the Colts and Saints team posters. The students are to place their food or dental items in the box under the team they want to win.

Student Council is hoping everyone will vote for the team they think will win the Super Bowl. All food and dental supply donations will be donated to the Catholic Food Harvest Pantry.

Thank you for all of your support in ending hunger in York.
